## Elections Mark Eventful Week

### Wheat Farmers Face Bout With Green Bugs

After one of the best winters for cattle in the history of Randall County, the area wheat crop is in danger of destruction by green bugs.

John Brazzil, county agent, said the bugs have infested many of the fields throughout the county have taken a toll on the young green wheat.

Brazzil and J. I. Fletcher, farmer from the northeast part of the county said the green bugs are worse than they have been since 1951.

"The weather is in their favor," Brazzil pointed out. "They seem to thrive in 40-50 degree weather."

Both men said the aphids will disappear in a few weeks but damage could be great by that time.

"Farmers in the southeast part of the county have sprayed for the bugs," Brazzil reported, "and estimate they now have a

90 per cent control."

Brazzil said other farmers have released lady bugs on their wheat fields.

Lady bugs prey on the green aphids, it is believed. Brazzil said no definite results have been reported to his office.

He pointed out that with a slight rise in temperature, native lady bugs will begin reproduction. He said these natives will probably take care of the green bugs.

On the livestock scene of agriculture, Brazzil said most of the cattle have been moved out of the county.

"We had a near-record number of cattle this winter but

most of them have been sent to feed yards and summer pastures," he related.

"Most of our cattle population was made up on stocker steers and cows."

Brazzil said the mild winter had been a boost to the cattle industry in the Panhandle area. "We've had nice gains reported," he said, "and the price has been favorable."

He predicted that only a small number of the stocker animals will remain in the county.

### Patrolmen Investigate

Highway patrolmen investigated a one-car accident just north of Canyon on highway 87 Wednesday morning about 7:30.

One of the patrolmen said Wanda B. Arant of Lubbock was driving a late model car and hit a bridge. He added that she apparently applied the brakes when on ice, throwing the car out of control.

Damages were estimated at approximately \$250.

### Chamber Budget Growing

Directors of the Chamber of Commerce report an additional \$1,585 added to the budget for the coming year due to efforts of a membership campaign slated to end March 31.

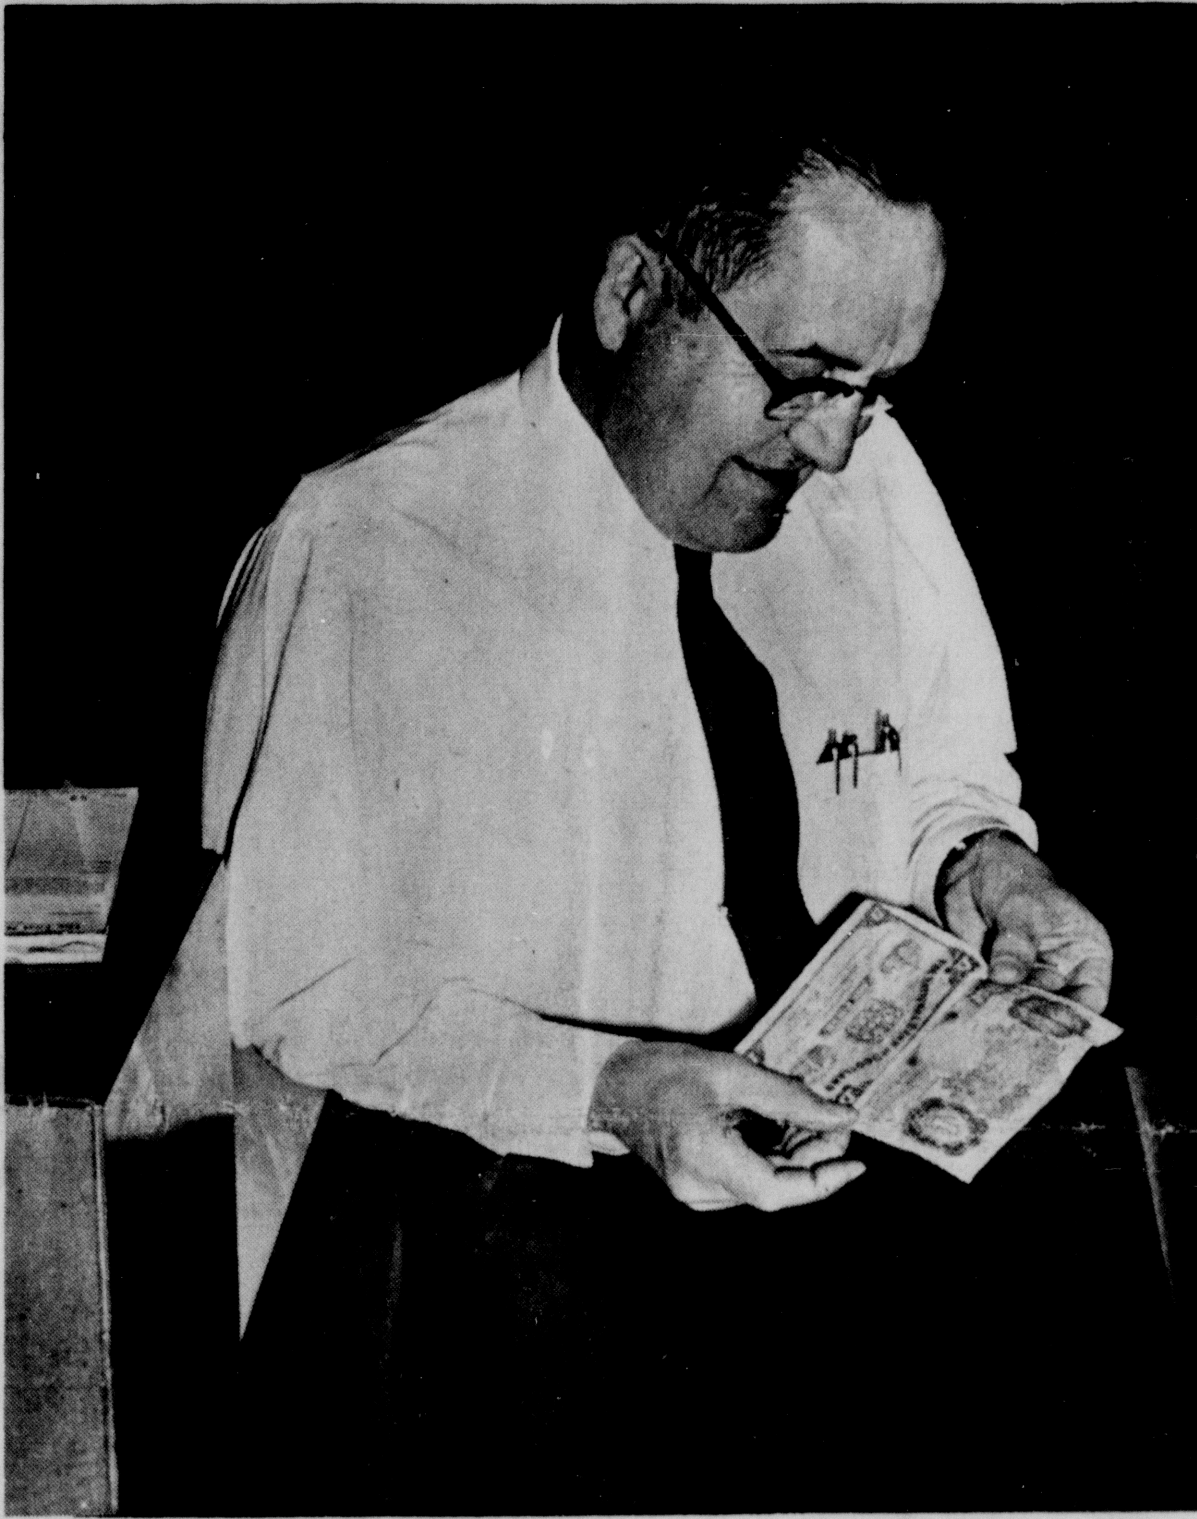

This brings the budget to a total of \$7,575. The goal was \$10,000, a figure comparable to that of chambers in towns the size of Canyon.

Roland Black, chamber manager, said a last-minute effort will be used this week in hopes of adding still more to the chamber.

So far, 50 new members have been added. He said this included both individuals and firms.

"This past week we had several people come by our office and join," Black said, "and we appreciate this."

He added that the chamber will welcome any new members. "If the drive workers miss anyone he can come into the office and we will fill out a card there," he pointed out.

SOMETIMES A BANKER doesn't know the value of money. This week Presley Kenamer brought in two one pound notes, British currency, to the First National Bank and they had to be sent to a New York bank to find out the exact value. James Cole, above, took the money. Cole said the notes are worth approximately \$2.75 each.

### Canyon-Randall Fire Contract Still Pending

City commissioners studied a proposal of Randall county in regard to a city-county fire contract for the coming year.

The present contract expires Friday at midnight.

Under the present agreement Canyon receives approximately \$163 per rural call and Amarillo and Happy receive \$25. County commissioners last week said they would pay each department \$100 per fire and allow the City of Canyon to use a county truck.

The city authorized a contract to be written to that effect including a part which states that the county will maintain its own truck.

Fire Marshall Jack Jennings, Bill Sternberg, fire chief, and Charlie Foster, fire captain, sat in on the discussion.

One commissioner asked if it would be feasible to hold the county responsible for any city equipment lost at a rural fire. It was finally decided that one of the city trucks should be insured if it was going to be used on county fires.

In other business the city annexed 45 acres of college prop-

erty on the north side of the campus. Virgil Henson represented the college at the meeting.

Commissioners talked about building an addition to the fire station but the matter was tabled.

A part of 1st Avenue at 17th Street was dedicated to the Randall County Junior Livestock Association. Bill Wilson represented the association at the meeting. He said the group needed the property for parking purposes.

### Senatorial, City, School Races Set

Voters will have an opportunity within the next week to select a U.S. senator, two city commissioners and two school trustees.

First election will be for the school board trustees. It will be held Saturday, April 1, at the American Legion hall.

In the race for two seats on the board are Otis Parker, Mrs. W. A. Moore, Wesley Cox and Dr. Charles Nester. Parker is an incumbent. The other incumbent, Conway Kuykendall, did not file for re-election.

Presiding judge at the school board election will be C. Boone McClure. Clerks will be Lynn Bennett, Mrs. Hud Prichard and Mrs. E. A. Michael.

Then Tuesday, April 4, two elections are slated. Two city commissioners will be picked from a field of five candidates. John Williams, commissioner for place 4, and Delbert Lowes, commissioner for place 5, will seek re-election.

Opposing Williams are Marvin Bichsel and J. C. Newton. Lowes' only opponent is J. Evetts Haley Jr.

The city election will be conducted at the city hall. Jack Jennings will be presiding judge. Levi Cole is judge. Clerks are Mrs. A. H. Prichard, Mrs. Faye Cannedy, and Miss Pearl Black.

Seventh-one candidates have filed for the senatorial race, a state-wide election called to fill the position vacated by Lyndon Johnson.

Precincts, polling places and judges are listed below:

Precinct 1, Canyon Elementary School, Herschell Coffee, Bill Davis, Delbert Lowes, Bill Sternberg.

Precinct 2, Jowell community building, Mrs. Tom Gooch.

Precinct 3, Ralph Switch elevator, R. B. Gist Jr.

Precinct 16, V.F.W. hall, Harley Burrus.

Precinct 17, Canyon junior high, Blaine Hufnagle, John Taylor.

Precinct 18, Frank Begert home, Frank Begert.

All polling places in the three elections will be open from 8 a.m. until 7 p.m.

### Thieves Hit Ralph Switch For \$150 Cash

Thieves made a stop at the Ralph Switch elevator sometime Saturday night or early Sunday morning and got away with over \$150 in cash, according to Virgil Belcher who works there.

Belcher said the major part of the money was taken from a filing cabinet in the elevator office. A soft drink dispenser and candy machine were smashed and the change was removed.

The sheriff's department is working on the case.

### City Budget Smaller Than Previous One

The City of Canyon will begin operation Saturday with a new budget which is \$20,650 lower than last year's.

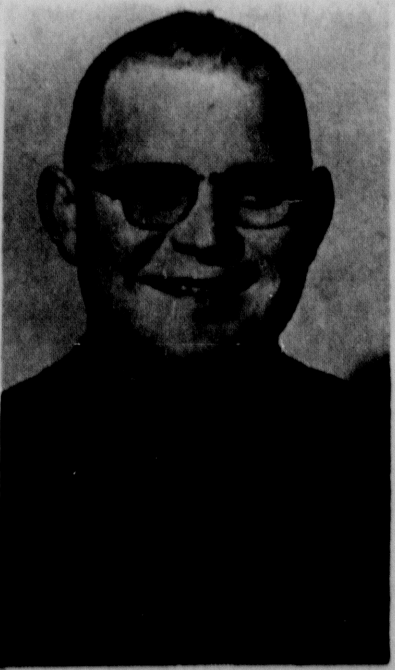

Cash on hand at the close of the fiscal year Friday is estimated to be \$96,625. Revenues are expected to net \$335,213. Last year there were \$115,899 on hand at the close of the

year and revenues brought in a total of \$313,047.

Operational costs will show a decrease under the present budget, also. Last year operational cost were \$262,488. For the coming year this expense is estimated to be \$242,323. Fixed costs show a slight decrease. Under the new budget \$94,972 has been set aside and last year \$95,477 was used in this fund.

Bill York, city manager said the new budget is in the process of being printed and should be available within a week. He said it will cover approximately 72 pages.

## LETTER TO THE EDITOR

Dear Publisher:

I don't recall how many trips Dean Rusk made to China in the early days or what was in his report to General Marshall who himself was called a traitor by some of our leading citizens, but let us assume that you were right about that alleged report. We cannot gainsay that Dean Rusk is doing a good job today and in these perilous times that is what counts.

In those days we were all guilty and Mr. Rusk was working under handicaps and misunderstanding, perhaps the chief of which was that Russia had been our ally against Hitler as well as the deplorable conditions then existing in China itself where people had been for ages living with overwhelming starvation, exploitation by stronger powers and general ignorance of what it took to get along in this modern world. Furthermore we had nothing in China with which to oppose the march of Communism. Chiang-Kai-Shek being, as Harry Truman, who incidentally is one of the most astute men of our times, said, just another war lord, and Chiang and his forces and all of China being riddled with graft and corruption and drawing the chains of hopelessness closer about them.

Is it any wonder that they jumped from the frying pan into the fire? After all, any one's hindsight is better than his foresight and I am thankful that I at least have some of the latter, some don't. We had dedicated missionaries in China for years, but we, the people, starved them for funds to work with and dismissed them with a prayer and said "depart from me, be ye clothed and fed." Well prayers and platitudes just don't fill empty bellies and those good missionaries who were there on the spot had not the wherewithall with which to feed them. A crowded, disease-ridden, starving, exploited, graft-ridden people, imbued with desperation and pursued by hopelessness will grasp at straws, and who could foresee that these straws would be Stalin and Krushchev and even old K may sometimes wonder if he has created a Frankenstein Monster which someday may devour him. After all, who can understand

## Ex-Director To Lead Conference

A former director of the Methodist Student Center at West Texas State College, Rev. Jim T. Pickens, will be one of the leaders at a vocations conference in Ceta Canyon April 7-9.

The other leader will be Rev. W. L. Armstrong of Lorenzo, a former missionary to Hawaii. Rev. Pickens is now on the faculty at McMurray College at Abilene. The conference, open to high school sophomores, juniors, and seniors, will begin Friday evening and run through Sunday noon meal.

the workings of the Oriental mind?

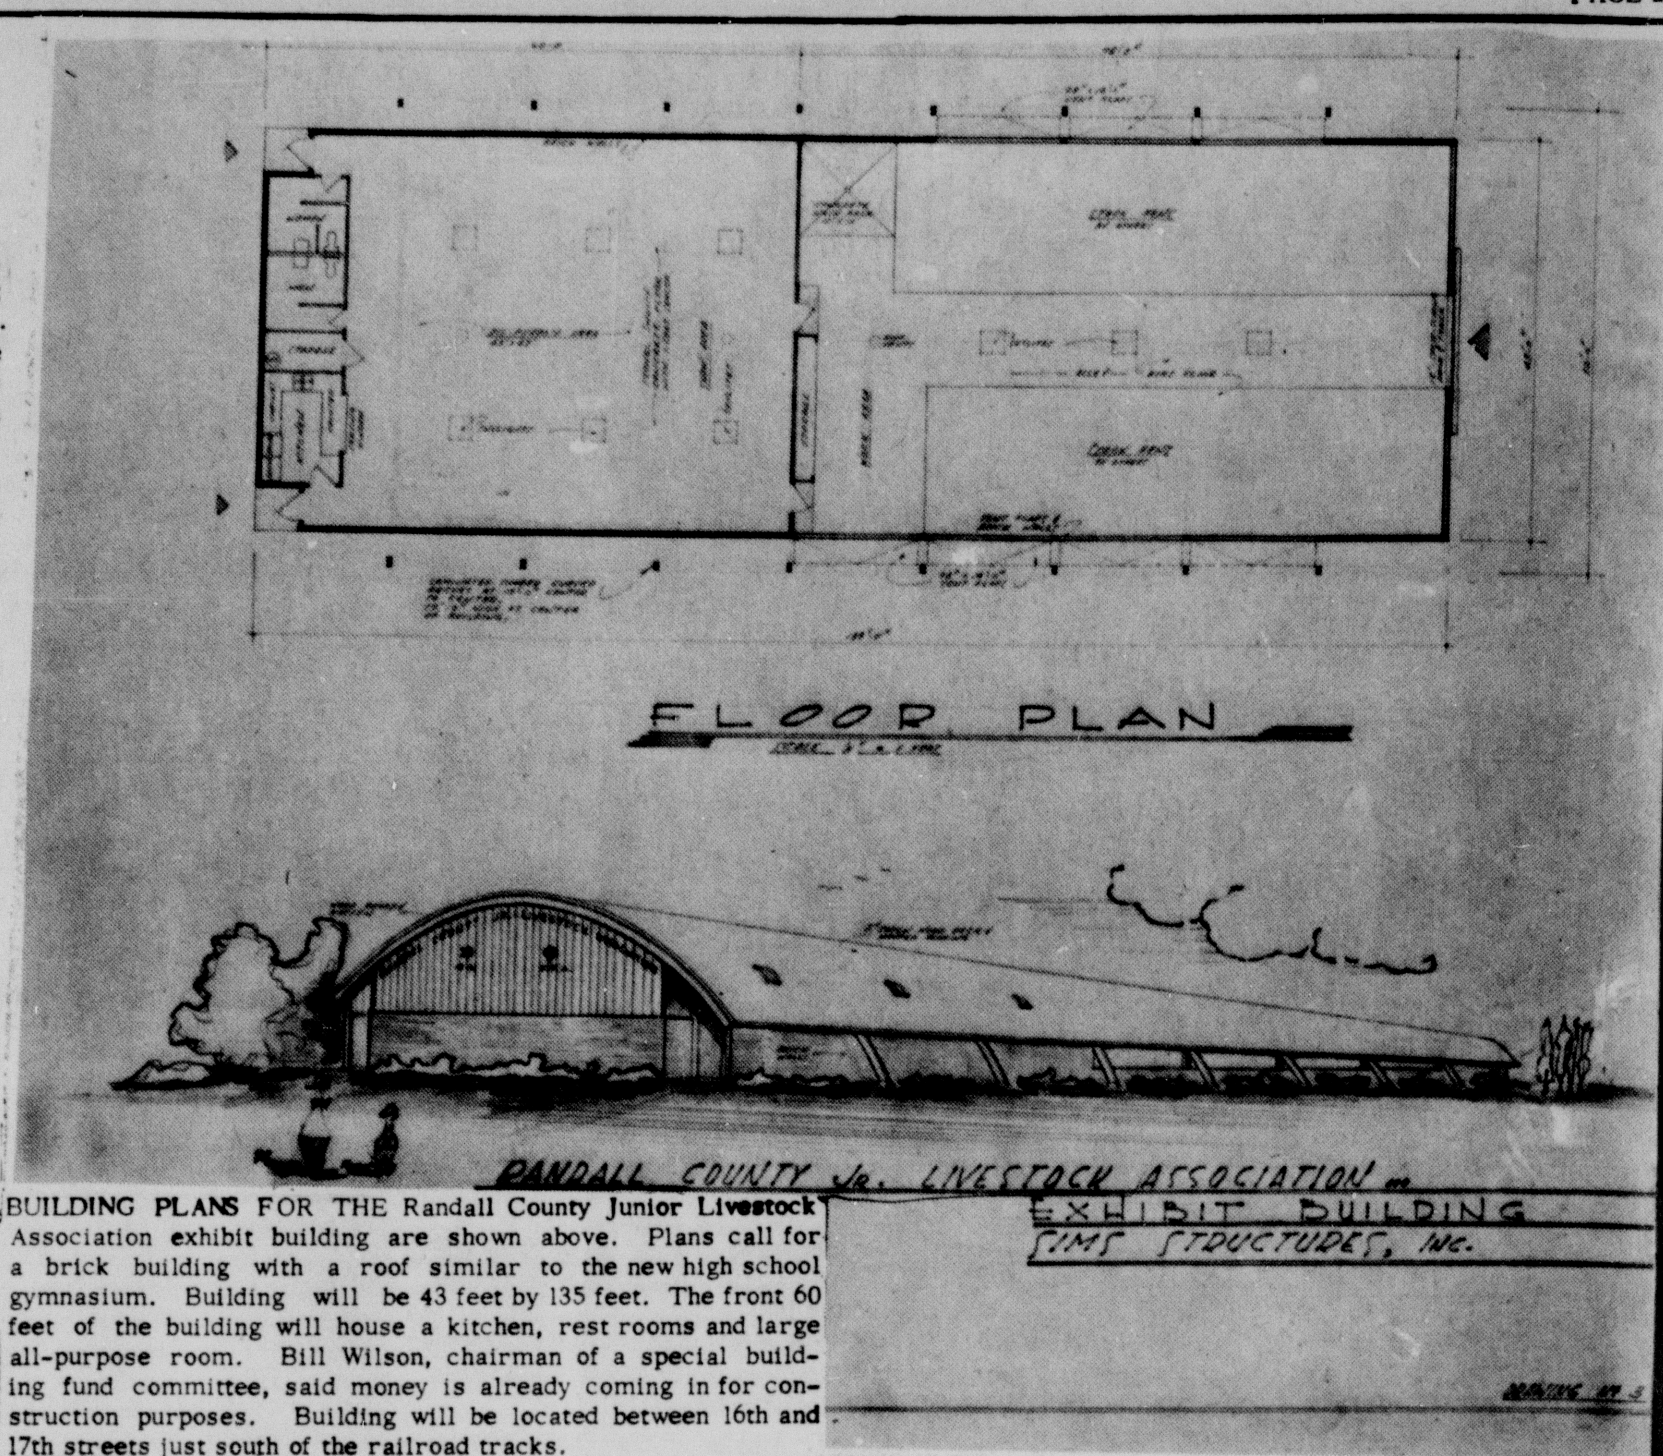

Of course it is a part of human nature, and I think history will bear me out that when the holocaust is upon us, which today looks close, a certain portion of our people, instead of closing ranks and going out to meet the enemy will sit back on the sidelines and criticize, seeking someone to blame it all on. Let us concede that Dean Rusk was mistaken at that time, would he be the first to err, for all history is a long list of mistakes, but at least Mr. Rusk is the type of man to profit from his mistakes and not one to hug them to his bosom and attempt to defend them as do you Republicans.

We have instances of totalitarianism as practiced by the Communists right here in our midst as it has been the favorite indoor sport to cuss the government. A good example of this is the propaganda put out by the John Birch Society. I think that is the name given by Time Magazine. It seems its principal local exponent is General Jerry Lee of Amarillo, its chief immediate goal being the impeachment of our good chief justice.

Can we for long tolerate such underground vermin to eat like termites at our representative government and attacking our very churches and the clergy itself. I, myself believe the clergy has erred at times but have no doubt whatever about their goal being anything like Communism. Also we might take thought of those high officials in the electric corporations who were fined millions of dollars and jailed for conspiring to rob the people and their government. No telling what we may have learned had these gentlemen talked instead of going to jail. Shades of the old Robber Barons of the early 1900s when Teddy Roosevelt was in his heyday of trust busting, has the evil of conniving to mulct the people and the government never perished or has it merely gone underground?

It is true as the Good Teacher said that man does not live by bread alone, but in this peculiarly money-mad world neither could live by faith alone without that faith being reinforced by works. Without that faith and only something to eat he would be as the beasts of the field, concerned only with filling stomach, and yet, until, if ever, he arrives on the status of the angels he will have need of these things along with his diet of faith as has been amply demonstrated by the findings of our good missionaries.

There's more enthusiasm for the special senatorial election to be held next week than we ever dreamed possible. Dale Williams and several others in town are working for Will Wilson.

Gene McGlasson, Buff Morris and their group are working for Bill Blakely.

We haven't heard of an organized effort for any of the other candidates. Certainly no one can complain of not having a choice in next week's balloting. There is going to be a ballot as long as your arm with 71 candidates on it.

Leroy Saul, the erstwhile legislator from Kress was by to see us early this week. He is teting the ball for Blakely.

Store windows around town are taking on that spring look.

R. D. WHELOCK has been named assistant principal at the junior high school, effective the next school year. He replaces Oscar Hinger who will take over duties as principal of the elementary school.

R. D. Wheelock has been named to position of assistant principal at the junior high school effective the next school year by the board of trustees. He has taught in Canyon school for 15 years. Coming in to the Canyon school system in the fall of 1945, Wheelock has taught in both the high school and junior high.

He fills a position vacated by Oscar Hinger. Hinger was previously named principal of the elementary school.

Wheelock received his BS and MS at West Texas State College. Before coming to WT, he attended Wayland College. He also studied one summer at Texas Tech.

Two years ago Wheelock received the Freedom Foundation award in recognition of his work with school children. This award is made to persons in many professions for teaching the American way of life.

## Oriental Garden Furnishes Setting For JWBC Fashion Show Before 300 Viewers

An oriental atmosphere prevailed, from beginning to end, at the fashion preview presented by the Junior Woman's Book Club of Canyon last week.

### Canyon Represented At Rotary Convo

Canyon delegates to a district Rotary convention at Pampa returned this week.

Attending the conference from Canyon were Mr. and Mrs. Jerry LaGrone, A. W. Lair, Mr. and Mrs. Bill Davis, Arch Hunsley, Grady Persons, Mr. and Mrs. Paul Summers, H. R. King, Dr. Dudley Moore and Joe Gidden.

LaGrone, president of the Canyon club, said the 3-day meet was climaxed by an address by the secretary general of Rotary International. The completed Coronado Inn.

teacher in the Canyon school system.

He and his wife have two children, Robert, a junior at WT, and Mary Ann, a freshman at Canyon High School. They are members of the First Baptist Church.

And, appropriately enough, shades of pink, from the very palest, to the most vivid, dominated the spring fashion front in frocks shown by Mrs. Lila McDonald, of McDonald's. Capturing the coiffure limelight was the honey-bug, presented by Marie's Beauty Salon.

An estimated 300 persons at-

tended the show in the Elementary School All-Purpose Room, proceeds from which apply on the club's pledge to a proposed community center for Canyon.

Members of the club, dressed in varieties of oriental costumes, served as hostesses. Decorations included screens, hanging lanterns, a garden, centerpieces, candelabra, cymbals, pillows and other furnishings of a Far East design. Narrators, Mrs. Marie McDonald, and Mrs. Joan Collins of Amarillo, were also dressed in costume.

Perhaps the newest innovation in women's sport clothing were the Spants, a kneepant and skirt combination, and the balloon-legged pant of the Moroccan influence. Pure silk sheers, and other colorful fabrics, proved popular in dressy frocks. Hats shown from McDonald's included many shapes, sizes and colors, but lightweight straws prevailed, with patent leather touches included.

Intermission entertainment was arranged by Mrs. Ellsworth Barnard, and included the following: vocal trio by Judy Roberts, Marion Henson and Kay Jarnagin, accompanied by Karen Brewster; piano solo, Pat Morgan; comedy musical skit, Craig Bellah, and John Brantley and Rob Barnard; oriental

dance, Joy Parsons; vocal solos, Mrs. Bruce Winn. Background music was furnished by Mrs. Glenn Dowlen. Script was prepared by Mrs. Debra Devenport of Tulsa, and special flower arrangements were provided by HR's. Co-chairmen of the fashion event were Mrs. Weldon Hager and Mrs. R. B. Gist Jr.

Members of the FFA and FHA this week began their portion of The Canyon News subscription campaign.

In the meantime, members of the Randall County 4-H Clubs made their first weekly report on the subscription campaign which they have already under way.

The Canyon News wrote a check to Randall County Junior Livestock Association building fund for \$121.50 as commission earned by 4-H Clubbers during the first week of their drive.

More than 150 boys and girls of the FFA and FHA will take to the field this week in an effort to boost the building fund and the circulation of the Canyon News.

Top subscription sellers are being offered cash prizes in two categories. All prizes and advertising for the campaign are being provided by The Canyon News at no expense to the Junior Livestock Association.

Members of Randall County 4-H Clubs are competing for \$100.00 in cash prizes.

Prizes include \$25.00, first prize; two second prizes of \$15.00 each; three third prizes of \$10.00 each; and three fourth prizes of \$5.00 each.

Members of the FFA and FHA will compete for \$125.00 in cash prizes. A prize of \$25.00 will go to the top salesman among the FFA girls and a prize of \$25.00 to the top salesman among the FFA boys.

In addition there will be two second prizes of \$15.00 each; three third prizes of \$10.00 each.

each and three fourth prizes of \$5.00 each.

FFA and FHA boys and girls will compete on an equal basis for the lesser prizes.

Prizes will be awarded on a basis of sales points earned. Each new subscription will give the seller 10 sales points

and each renewal will give the seller 5 sales points.

Sponsors of 4-H Clubs listed George Cox, Marjorie Miller, Tommy Hildreth, Larry Miller and Kinney Coale as top salesmen in the campaign. Sponsors said the contest is close and could change at any time.

## Buff Nine Face Sayer College Here Today

The West Texas Buff baseball team faces Sayer, Oklahoma, Junior College here Thursday (today) at the Babe Ruth park.

Coach George Ritter said the starting lineup will probably be Henry Holdman, second base;

Bill Jefferies, left field; Harold Smith, first base; Sonny Teaff, third base; Ronny Tinney, center field; Herb Stephens, catcher; Gano Wilson, short stop; Bob Hanna, right field; and Keith Yeager, pitcher.

Last week the Buffs played

a double header with Trinidad, Colorado, State College, and lost both tilts 3-2.

"Pitching was good on both sides," Ritter said. "We lost both games on errors. We were ahead 2-1 going into the top of the seventh and errored it away."

He said Trinidad took the second game with only one earned run.

Schedule for the season is: April 8, Texas Tech at Lubbock

April 15, Texas Tech here

April 18 Trinidad State at Trinidad

April 22, Southwestern State College here

April 28-29, New Mexico Highlands at Las Vegas

May 6, Southwestern State at Weatherford

May 8, Sayre Junior College at Sayre

May 12-13 New Mexico Highlands here

### Methodists Slate One Sunday Meet

A 10:50 a.m. service only is scheduled for the First Methodist Church Sunday. The 8:30 a.m. service will not be held, nor will the coffee break at 9:30. Sunday school will begin at 9:45 a.m.

Rev. C. Newton Starnes, pastor, will speak on "I Am The Resurrection and the Life," and the church choir will sing "Rejoice, the Lord is King" by Darwall as special music.

Rev. Charles Hastings, director of the Wesley Methodist Student Center, will deliver the communion meditation on Sunday evening.

### First Baptists To Have Baptism Sunday

Ordinance of Baptism will be observed at the First Baptist Church Sunday morning. Dr. Strauss Atkinson, pastor, will deliver an Easter sermon, and the church choir will sing "God Is the Light of the World."

"No Greater Love," an Easter cantata, will be given by the church choir at 7 p.m. Sunday. Directed by Bob Allford, minister of music and education, the cantata was written by John W. Peterson. Mrs. R. D. Wheelock and Mrs. Meade Humphries will be accompanists for the group.

### Choir Sings For Rotary

The A Capella concert choir of West Texas State College presented a program for the Rotary Club luncheon Tuesday in the American Legion Hall.

The program is an annual presentation by the choir. The choir sang six numbers, including several by Dr. Houston Bright, director of the choir, plus an encore.

Soloists were Sarah Lynn Pitt and Larry Jones.

Visitors included several Rotarians from Amarillo, and Elmer Henson, Marion Higdon, Mr. and Mrs. Dale Harter, and Mr. and Mrs. Sam Jolly, all of whom were guests of George Webb. T. S. Stevenson Jr. was a guest of Boone McClure.

### Canyon Study Club Makes Convo Plans

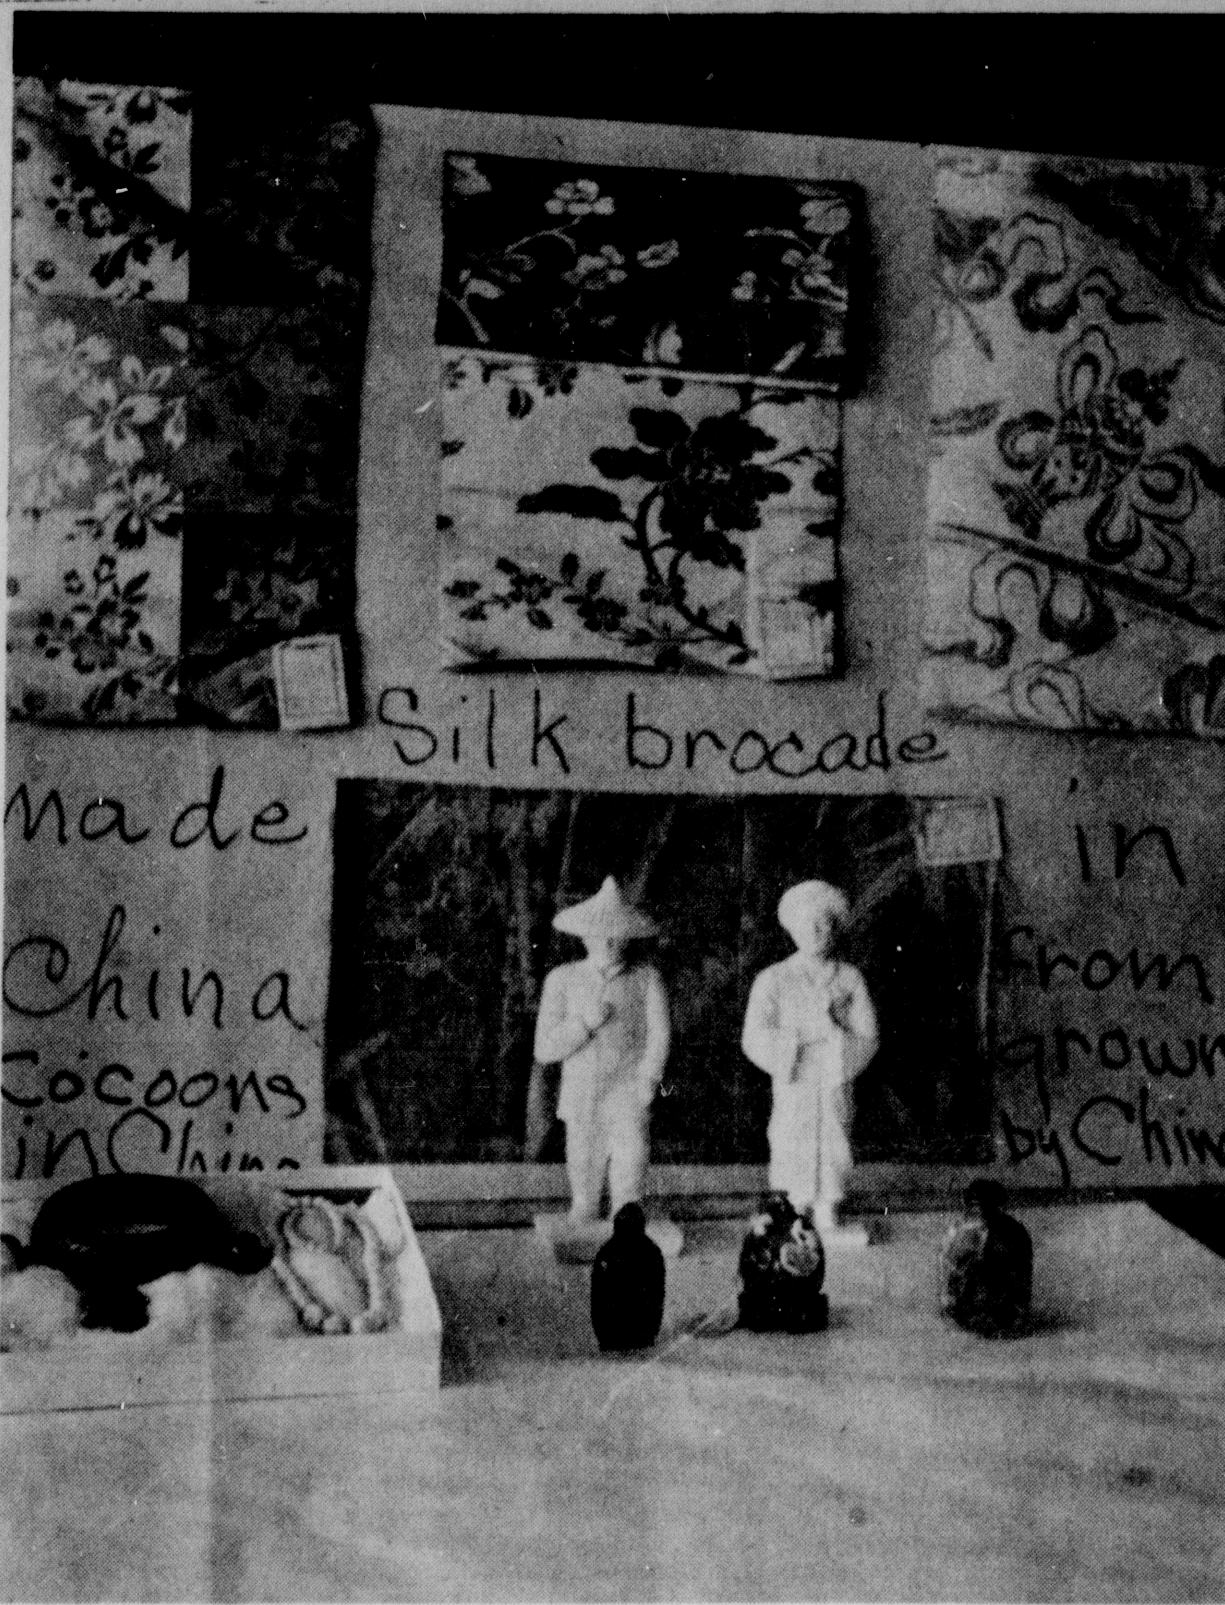

Plans were made for the Top of Texas District Convention of Federated Women's Club in a meeting of the Canyon Study Club in the home of Mrs. Gordon Williams.

The convention will be held in Pampa March 29 and 30. Mrs. Dick Dawdy will represent Canyon in the Vogue Style show to be held today (Thursday) at the convention.

The program was the film, "The Big Texas," about Texas and her resources. The film was shown by program chairman Joan Hamblen.

Sixteen members and four guests attended the meeting. The guests were Mrs. Leonard Miller, Mrs. Mark Askev, Mrs.

Visiting the J. A. Frazier home over Easter are Mr. and Mrs. Bob Dowd of Waco.

ARTICLES FROM China were displayed in Mrs. L. M. Cousins' fourth grade class room last week. The center bottle in the foreground is more than 400 years old. It was carved from a solid piece of agate and is inlaid with white jade.

### Agent Addresses Palo Duro-Rusk

Mrs. Mona K. Hildreth, county home demonstration agent, was guest speaker for the Palo Duro-Rusk Home Demonstration Club Tuesday in the home of Mrs. Karl Adams.

Mrs. Hildreth's topic was "Fashion and Fabrics."

Mrs. Althea Douglas, vice-president, presided. The meeting was opened by members' singing "Bless Be the Tie that Binds." Roll call was answered with an Irish joke.

"Unchained Frontier" will be shown at the next meeting, to be a night meeting April 11 in the film room of the West Texas State College library.

### License Tag Deadline Here

The Randall County Tax Assessor-collector's office will remain open Saturday, April 1, to accommodate persons who have not yet purchased license plates.

Registration certificates are required before the tags can be issued.

Mrs. J. C. Dowd left yesterday to spend the Easter holidays with her daughter and family, Rev. and Mrs. R. C. Helmich, at Yukon, Oklahoma. Mrs. Dowd will return in about two and one-half weeks.

### College Assembly Slated

A panel of college students will be speakers at an assembly at Canyon High school at 10:15 a.m. today (Thursday).

Speakers will be Bill Cornette, Alan Hanks, and Judy Parsons. Lawrence Roberts will be moderator.

Purpose of the assembly is to inform high school students of what preparations are necessary for college.

CANYON SCOUTS recently returned from a ski trip in northern New Mexico. Above are members of troops 66 and post 66 who made the trip.

### Edgetown Club Tours Cleaners

"Dry Cleaning problems" were discussed Friday at the

Edgetown Home Demonstration Club meeting.

### WEATHER

High and low temperatures for the week of March 22-28 were:

	High	Low
Wednesday	64	30
Thursday	68	33
Friday	72	40
Saturday	73	48
Sunday	68	50
Monday	65	44
Tuesday	66	32

A total of .44 of rain fell Saturday.

Six members toured the Monarch Cleaners, where Mrs. Kenneth Clark discussed the steps and problems in dry cleaning. She explained the process of the cleaning operations.

Prior to the tour, the members met in the home of Mrs. R. W. Thompson for a short business session.

## PEACE OF MIND FOR YOU

We all find peace of mind in doing the things which we know must ultimately be done. Procuring a cemetery plot is one of those things. You and your loved ones will be spared the necessity of attending to this matter of great emotional stress. Dreamland is surely a place of loveliness where only peace and beauty dwell.

## NO FINANCIAL STRAIN

There is no down payment, no interest and no carrying charges on cemetery property bought on Dreamland Cemetery Association's time plan.

## PERPETUAL CARE TRUST

Perpetual care assures that Dreamland Cemetery will be kept beautiful down through the years. This is guaranteed by the trust fund required when the state issued a charter to the association. Arrangements may be made easily for PRE-NEED PURCHASE OF CEMETARY PROPERTY BY CONTACTING...

# Go to the CHURCH of your choice this EASTER SUNDAY

There is something very special about Easter Sunday that sets it off from every other day of the year. As father, mother and the children attend Easter Services, each in his or her own way feels deeply the transcendent joy of the occasion. None is too young to delight in the radiant beauty of the flowers, to respond to the note of triumph that rings out in the beloved Easter hymns, to experience the shining wonder of the Easter story. None is too old to be inspired anew by the promise of spiritual rebirth, so gloriously expressed in the miracle of Easter... so beautifully reaffirmed each year on Easter Sunday. For one and all, old and young, this is indeed the happiest day of all the year!

## Canyon One-Act Wins District

"Wait for the Morning Child," Canyon High School's one-act play, won the District 1-AA Interscholastic League competition, held Friday at West Texas State College.

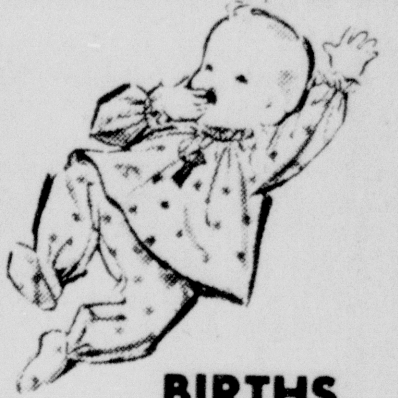

Wam Moore was chosen as Best Actor, and Jean Wheeler was named as Best Actress.

Third member of the cast was Russell Farr. Reggie Reeves was student director, and Art Haley was in charge of lighting.

Canyon will meet Floydada in an area play-off April 10 in Plainview High School. Winner of the contest will represent the area in the regional Interscholastic League one-act play contest in Lubbock April 21 and 22.

Arrangements for the play-off were made Tuesday by Mrs. Lee Foster, CHS director, and

Mr. and Mrs. Joe A. Gibson. Gibson is superintendent of schools. They met Mr. and Mrs. I. T. Graves of Floydada in Plainview to arrange the area contest. Graves is superintendent of Floydada schools, and Mrs. Graves is director of Floydada's one-act play, the third act of "Life With Father." There will be a 50 cent admission charge.

### Audubon Film

#### Sunday

#### In Amarillo

"The Right to Live," an Audubon Screen Tour by Chester P. Lyons, will be presented Sunday, April 9, at Stephen F. Austin Junior High School in Amarillo.

The film of wildlife, plant life and scenery is being sponsored by the Texas Panhandle Audubon Society and the American National Bank of Amarillo.

In "The Right to Live," Lyons examines the five most important Life Zones which express British Columbia's diversity and resources, and in so doing gives a remarkable cross section of its people, their basic industries, and the plant and animal life of the province.

Tickets may be obtained from the American National Bank, Amarillo.

### CHS Choir

#### Takes

#### First Rating

Canyon High School's choir won a Division I rating in concert singing in an area wide choral contest at Amarillo College March 22.

The group also won a Division II in sight reading.

Gene Murray, director, said only 22 of 68 choirs competing got a Division I rating in concert, and only 18 in sight reading.

Jeanne Wheeler and Judi Roberts each received Division I ratings on soprano solos.

MRS. JAMES J. YOUNG  
(Photo by Britain's Studio)

## Vows Read For Welch, Young

In a candlelight ceremony, Miss Gayle Welch became the bride of James J. Young in the Joseph A. Hill Chapel on the West Texas State College campus at 7 p.m. Saturday, March 25.

Parents of the bride are Mr. and Mrs. Ray Welch of Canyon, and the bridegroom is the son of Mr. and Mrs. J. A. Young of Lovington, New Mexico.

Bob Wear, minister of the Central Church of Christ, officiated at the ceremony, read before a table draped with white satin and centered with two large arrangements of white

mums and pink carnations. Two more baskets of white mums and pink carnations and two floor baskets were used on either side of the altar.

Candelabra backed the floral arrangements.

Mrs. Fanita Humphries, organist, played a nuptial prelude and accompanied Miss Marion Henson, soloist, who sang "Whither Thou Goest" and "The Lord's Prayer."

Martha Echols of Amarillo, niece of the bridegroom, was flower girl. She wore a dress of pink organza identical to those of the attendants.

Miss Rita Grabbee and Mrs. Alan Hanks were the bride's attendants. They were attired in dresses in pink silk organza with embroidered tops, V-necklines, and bouffant skirts. They carried arrangements of pink daisies.

Alan Hanks was best man, and Marvin Berry was groomsmen. Serving as ushers were Larry Brotherton and Craig Hinger. Given in marriage by her father, the bride wore a gown of white silk organza over taffeta, fashioned with a bodice of lace appliqued with seed pearls and iridescent beads. The long pointed sleeves terminated in roses that were embroidered with seed pearls.

The bodice was styled with a Sabrina neckline and came to a point at the waist, and the full skirt was appliqued.

Her veil of silk illusion fell from a tiara of seed pearls. The bride carried an arrangement of pink sweetheart roses tied with pink satin streamers.

A reception in the Church of Christ Bible Chair followed the ceremony.

Assisting in the reception were Mrs. John Williams, Mrs. Ted Kelley, Mrs. Wayne McNeill, Mrs. Vernon Green, Mrs. Pat Capps, Mrs. Chuck Gorton, Miss Bernice Green and Miss Dorothy Grabbee.

For the wedding trip to points of interest in New Mexico and El Paso, the bride chose a brown wool suit with bone accessories and a pink rose corsage.

After April 4 the couple will be at home at 2121 First Avenue.

A graduate of Canyon High School, the bride attended West Texas State College, where she majored in secretarial science. She is a member of Delta Zeta social sorority and Phi Gamma Nu business sorority. She is presently employed as secretary to the registrar at West Texas State.

The bridegroom is a graduate of Lovington, New Mexico, high school and is attending West Texas State College, where he is a pre-med major. He is a junior.

## Mrs. Evans Leads Games for Club

Mrs. Ora Evans conducted games at the last meeting of the T&T Club at Fairview recently.

Mrs. John Patterson entertained the club in the afternoon. Seven members and one visitor were present.

Mrs. E. W. Schaeffer reported on a gift for Evelyn Shipman who underwent surgery recently. It was decided that each member will make a gift and bring it to the next meeting where it will be auctioned off. Proceeds will be used to buy gifts for the sick.

Refreshments consisting of orange juice, iced tea, German chocolate cake and ice cream were served.

Next meeting will be the first Wednesday in April in an all day session of quilting. A covered dish luncheon will be served.

## Canyon HD Hears Agent

"Fabrics and Fashions" was the program given before the Canyon Home Demonstration Club when it met Friday in the home of Mrs. O. V. Weldert.

Mrs. Mona K. Hildreth, county home demonstration agent, gave the program on trends in styles and colors and new materials on the market.

Refreshments were served to eleven members, Mrs. Hildreth, and one visitor, Mrs. Wayne Wilcox.

Next meeting will be April 7. The club members will meet in the home of Mrs. Earl Hadley and then go to the Top of the Village Restaurant for luncheon.

Mr. and Mrs. Olin Huff, Patricia and Charlotte, of Fort Worth spent the weekend with Mrs. Huff's parents, the Pat Babers, this weekend.

# ITEMS OF INTEREST TO Women

## Lewis Hinders, To Be Wed

The engagement and approaching marriage of Miss Donna Rue Lewis, daughter of Mr. and Mrs. Garland Lewis of Nolan, and Lt. Edward Hinders, son of Mr. and Mrs. Lewis B. Hinders, Sr. of Happy, has been announced by the future bride's parents.

The marriage will take place at the Methodist Church of Nolan, near Sweetwater, in July.

Miss Lewis, the bride-elect, will graduate this spring from Texas Technological College, where she is a home economics major. Lt. Hinders, a 1960 graduate of West Texas State College, is presently stationed at Ft. Hood, Texas.

MRS. JOLLY

## Mrs. Jolly Guest Soloist At Hereford

The Hereford Music Study Club presented Mrs. Sam Jolly of Canyon as guest soloist for its program of sacred music.

The special Guest Day program was conducted Monday in the First Christian Church of Hereford. Theme of the program was "The Power of Music in Worship."

Mrs. Jolly's program gave particular emphasis to Easter music.

She was accompanied at the organ by Mrs. Bill Brady. Both Mrs. Jolly and Mrs. Brady are daughters of Mr. and Mrs.

## Around The Town

Mrs. W. L. Langston of Spur and daughter, Mrs. Floy Barfoot of Lamesa, were visitors Friday in the Pat Baber home. Mrs. Langston is Pat's sister.

Guests in the Rowie Durden home are Mrs. Durden's aunt, Mrs. Jules Bonjour, Tommy and Jules Jr., of Elmhurst, Illinois, a suburb of Chicago. They arrived Friday to spend a few days.

Mrs. June Dugan, Donna, Bill, and Faye, and Mrs. Richard Gidden are in Biloxi, Mississippi, where Mrs. Dugan's father, H. C. Long, is in a Veteran's Hospital. He was to undergo surgery earlier this week, if his condition improved. Mr. and Mrs. Long, long-time Canyon residents, now live in Fairhope, Alabama, on Mobile Bay. Mrs. Gidden is Mrs. Long's sister.

R. G. Blue of Hereford.

Mrs. Jolly was honored with a tea following the program. Tea and cookies were served to club members and their guests from a beautifully decorated table centered with an arrangement of spring flowers.

Mrs. Jolly is a graduate of West Texas State College with a major in vocal music. She presently is serving as choir director for the First Christian Church here.

Mr. and Mrs. I. M. Wester and granddaughter of Carlsbad, New Mexico, visited from Saturday until Monday afternoon with his mother, Mrs. W. I. Wester, and with his brother and family, Mr. and Mrs. Randall Wester, and with Mrs. I. M. Wester's sister and family, Mr. and Mrs. Roy Smith. The Randall Westers and the Roy Smiths live in Amarillo.

Mrs. C. H. Stratton left Friday to visit her son, Charles Stratton, and family in Bartlesville, Oklahoma. She will return after the Easter holidays.

## Canyon Women Volunteer Aides

Three Canyon women have completed training as volunteer helpers in wards in the Veterans' Administration Hospital in Amarillo.

The three, all members of the Veterans of Foreign Wars Auxiliary, are Mrs. John Hardaway, Mrs. Tommy Hunter, and Mrs. Lawrence Hunnicutt.

Orientation course for the trio was conducted Thursday morning, followed by a tour of the hospital's facilities.

The three women will be available to help with any type of volunteer work at any time.

## Exchange Student Addressess FHA Group

An exchange student from Holland discussed her country, its people and customs at a recent meeting of the Canyon High School Future Homemakers of America held in the school cafeteria.

Nora Bouwman, a student at

Amarillo High School, told the group that English is taught in her native country from the third grade upward and that the school work is more different.

"We have no social activities at school, and we attend from early September to the middle of July," she said. "In Holland I have carried as many as 12 subjects at a time."

Miss Bouwman speaks English and four other languages, including Greek. She was brought to this country through the International Christian Youth Exchange group, which includes eight churches. She makes her home in Amarillo with the Kenneth LaFon family.

A trio of freshman girls, Nancy Davis, Janie Burk, and Janis Miller, sang several popular songs. Karen Erwin was accompanist.

Judy Wilson led a sing-song, and Barbara Erwin presided at the business meeting. Joy Harter presented the program.

## Baby Shower Fetes Mrs. Kerr

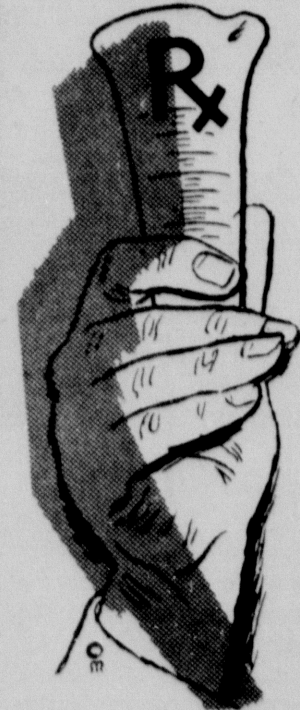

Mrs. Robert T. Kerr was the honoree at a pink and blue shower last Thursday night in the home of Mrs. Bob Rivers, east on the Palo Duro Highway.

Following games, Mrs. Kerr opened gifts.

Laid with a ecru lace cloth, the serving table was centered with a large honeycomb stork. Crystal appointments completed the setting.

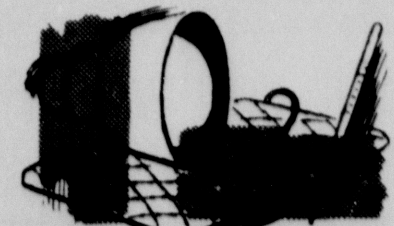

Co-hostesses were Mrs. Rolie Hyde and Miss Annette Dugan.

BY MRS. J. W. WESLEY

We had about .4 of moisture Friday evening. There was some sleet and snow, followed by rain.

There were no church services Sunday. Only Mr. and Mrs. J. W. Wesley and Mr. and Mrs. G. E. Wesley came for Sunday School services.

Mr. and Mrs. Richard Evans and Mrs. Asby Wheatly went to Amarillo Friday where he had some dental work done and was checked by an ear specialist. Mrs. Wheatly remained at her home in Pleasant Valley.

J. W. and Woodrow Wesley took stock to the Tulia sale Thursday afternoon.

Arlen Wesley of Lubbock visited a few minutes Thursday with his grandparents, the J. W. Wesleys.

Mr. and Mrs. Ervin Wilson and Darrell Wilson were helping Kate Folk remodel her kitchen one evening the past week.

Beulah McCoy sustained a severe burn on her right hand while turning roast. She still cannot use her left hand since breaking an arm several months past.

Mr. and Mrs. J. W. Wesley visited Sunday with his nephew and family, Mr. and Mrs. Luther Wesley of Canyon.

Mrs. Hollis Shipman and Gene have been helping her parents, the G. E. Wesleys, paint and texture the interior of their home.

Mr. and Mrs. Robert Langston and Leesa visited one night the past week with his brother and wife, the Troye Langstons.

Those enjoying 88 in the Troye Langston home Friday evening were Mr. and Mrs. J. W. Wesley and Mr. and Mrs. Rob-

ert Langston.

Mr. and Mrs. J. W. Wesley were caught in the rain storm Friday evening and were forced to spend the night with Mr. and Mrs. Charles Cranmer.

Richard Evans visited relatives at Roby the past week.

The 42 tournament at the Annie Read home Saturday evening was called off due to bad road conditions.

The T&T Club will meet Wednesday with Annie Read in an all day meeting and quilting. A covered dish luncheon will be served.

Mrs. Elvin Wesley has been at the bedside of her father, Charlie Miller, at Goltswaite the past week. He is critically ill. All the children were called home.

Mr. and Mrs. J. W. Prosser and children of Amarillo visited Sunday with her uncle and aunt, Mr. and Mrs. G. E. Wesley.

Sorry the Breezes didn't get in the paper the past week. We were snow bound and only got to the mail box Tuesday. Had to ride a tractor then.

Jack Foster is able to get around on crutches.

Visitors in the G. E. Wesley home Sunday were Mr. and Mrs. Coyle Elkins and Mrs. Dean Cagle and girls, Lynda and Vesta, of Tulia.

Delayed Mrs. G. E. Wesley and Mrs. H. H. Shipman were shopping in Amarillo Wednesday.

Mrs. E. M. Wilson has been under the care of a doctor the past several days with arthritis.

Mrs. Ella Hext and Mrs. Ethel Forbus visited Wednesday evening with Mrs. Hext's brother and sister-in-law.

Mrs. Charles Sutton was out at the farm Wednesday watering her shrubs and flowers.

Green bugs have taken to the wheat and barley. Some people are spraying hoping to save the grain.

Pauline Wesley was working for Joyce Lane Thursday.

Traverse Gilham was married recently. She is a daughter of Dorris Gilham and the late Travis Gilham and a granddaughter of Will Hamblen, now deceased.

Mrs. Wheatley of Pleasant Valley visited with her daughter and son-in-law, Mr. and Mrs. Richard Evans, the past week.

Mrs. Annie Read was in Canyon Wednesday with her sister, Winnie Cox, who was being x-rayed.

Mr. and Mrs. E. W. Schaeffer were in Happy Tuesday evening where he attended a grain meeting while she visited relatives.

Mr. and Mrs. Troye Langston were in Tulia Friday on business.

Othell Whitson left Thursday for San Antonio with a bowling team where they will participate in a state-wide bowling tournament Friday. They will return home Sunday.

Arlen Wesley was in Waco the past week attending school for Farm Bureau members.

Kyle Ray Wesley had chicken pox the past week.

Charlie Miller, father of Mrs. Elvin Wesley has been critically ill with a heart ailment the past week.

Our community was blessed with a nice snow Friday, Saturday and Sunday. About 10 inches was measured on a level and rain fell before the snow started.

There wasn't any church or Sunday School due to road conditions.

Darrell Wilson had the misfortune of tearing up his car in the mud while trying to get to work at G. E. Wesley's.

## 4-H Club Sees Demonstration

A demonstration on corn bread was given before the Canyon 4-H Club in its recent meeting in the home of Darlene Gatten.

Mrs. Mona K. Hildreth, county home demonstration agent, demonstrated making the bread. Members discussed participation in the subscription campaign for the Canyon News, with part of the proceeds going to the Randall County 4-H exhibit building.

Present were Susan Reid, Darlene Gatten, Billie Hill and Chris Olson. Next meeting will be April 3 in Billie Hill's home.

Joy Oldham was a weekend guest of her parents, Mr. and Mrs. R. D. Oldham, recently. A student at Mary Hardin-Baylor College, will be here for Easter and next week.

# Palo Duro Tour Slated By Geology Group

High school science departments, colleges and other groups have been invited to participate in the West Texas State College Geological Society field trips in Palo Duro Canyon State Park April 21-22 and April 28-29, according to Jack T. Hughes, head of the WT geology department.

Hughes and Robert Burton are sponsors of the society.

They said 169 letters have been mailed to groups throughout the Panhandle, this year and a large attendance is expected.

Last year only 69 letters were mailed and 480 persons made the tour.

This is the third year the club has sponsored the geological tours of the canyon guided by club members.

Charles McDaniel, Borger senior who is president of the society, said reservations have already come from some Oklahoma and New Mexico groups. McDaniel said the society

cannot accept responsibility for safety of those making the tour and added that an adult sponsor would be required to accompany each group.

Herman Jackson of Tulia is in charge of preparing the guidebook which is included in tour costs. The guidebook this year is being printed with photographs and charts and drawings to illustrate the features pointed out on the tours. Jackson said the tour and the guidebook are aimed specifically at Palo Duro formations but that scope extends to the general geologic history of this region and geologic principles on a wider scale.

Each person who attends the tour pays a fee of 80 cents. This includes all costs--admission to Palo Duro Canyon State Park, guidebook and guide service.

This year there will be alternate tours. One tour will make bus or automobile stops along the main paved road down into Palo Duro. The alternate will be a walking tour down the bridge path. Each of the four days the tours are available,

the first tour will be at 9 a.m. and the last will leave at 4 p.m. McDaniel said the tour should take about two hours from start to finish. Because guides must be ready for each group making the tour, it helps for reservations to be made well in advance, McDaniel added. Organizations or individuals wishing to join the tours may make reservations by writing the WTSC Geological Society, Box 882, WT Station, Canyon, Texas.

The aurora borealis, or "northern lights," reaches its peak in March and April.

# Rotary Club Receives Special Honor

Canyon Rotary Club has been designated a "200 per cent Rotary Foundation Club," it was announced this week at Rotary's world headquarters in Evanston, Illinois.

Recognition came for each member contributing \$20 to the Rotary Foundation. The objective of the Rotary Foundation is the fostering projects to further understanding and friendly relations among the peoples of different nations.

One of its principal programs is the awarding of fellowships to outstanding college graduates for one year of study abroad as Rotary ambassadors of good will.

# DAIRY FREEZE NEEDS BUSINESS YOURS!

ARE YOUR DEBTS IN BALANCE?

Many a farmer or rancher has his short-term debts completely out of balance with his long-term debts. Good management dictates that he keep his operating or short-term credit in balance with his capital or long-term credit. By doing this he will be able to meet repayments with more ease.

While a Land Bank loan will not reduce your total indebtedness, it has provided the key to a balanced debt load to thousands. Most likely a Land Bank loan is the answer to your credit problem.

Without obligation, come in and let's see how it can be made to help you get your debts in balance.

# EVETTS HALEY, JR. CANDIDATE FOR CITY COMMISSION Place 5

If Elected Will  
Work Diligently For  
**ECONOMY,  
EQUITY &  
EFFICIENCY**  
In City Government  
In Regard To This Election  
Evetts Haley, Jr. Says:

"The people in Canyon with whom I have talked want five primary things from government. These wants apply equally to government whether it be on the state, national or local level. These people whom I seek to represent on the city commission want their government to protect them in their rights, and to bother them as little as possible in keeping with a well-ordered society.

"They want government to assist them vigorously in maintaining their personal privacy and the sanctity of their homes. They want to be protected in their persons, in their properties, and in their cherished institutions from harassments and depredations perpetrated by any and all irresponsible elements in our society. And they want government to perform its legally constituted functions in as an efficient, equitable and economical manner as is possible.

"If elected to the Canyon City Commission I pledge to keep these things in mind and predicate my every action upon this foundation of the peoples' rights and needs.

"If elected I will continue to take note of the criticisms most often heard from individuals in all walks of life as they observe government performing its services. The criticisms that it is costly and that it is irritating are usually valid ones. I shall do my best to alleviate these.

"Without promising to satisfy every individual or every group in town, I do promise, if elected, to do the best job that I know how to do, and to be keenly sensitive to the demands of a responsible electorate."

POL. ADV. PD. FOR BY CANYON COMMITTEE OF COMMUNITY PROGRESS.

## KEEPING UP WITH THE ARTS

Mary Caballero

This is National Children's Art Month. To honor this event, Amarillo has two art exhibitions that have to do with young people.

One is an exhibit of paintings and drawings of Amarillo junior high school students. These are on display at the Amarillo Art Gallery, 1322 Tyler. These may be seen in the afternoon.

Mrs. Betsy Clark has an exhibit of water color and pencil drawings of children's nursery rhyme characters in the Amarillo College Union Building. These may be seen in the afternoon, also.

These shows will be up for one week.

The Community Film Series presents *Eroica, The Beethoven Story* on April 4th and 5th. This is an 1949 Austrian film.

The Amarillo Legal Secretarial Invitational Show is receiving a good response from artist in the area. This show will be in the Amarillo Federated Club Rooms. Chris Gikas, who teaches art at WT; Miss Isabel Robinson, retired art teacher from WT, and Dr. William Laur, art collector from Amarillo, will be the judges.

Over in Lubbock, the pla-

cards have gone up at the Lindsey Theater for the return engagement of "Gone With the Wind," which is planned tentatively to open there on April 6. This will be the re-issue of the picture graded up into wide screen and multiple sound and commemorates the centennial of the Civil War. It will be a three-hour-forty-minute film.

Vernon Scott, Up Hollywood Correspondent says that "Gone With the Wind" measures up as the "greatest."

"Hollywood has but three measuring sticks for greatness—the number of people who see the picture, the amount of money it brings in, and the "Oscars" it has won. On all three counts "Gone With the Wind" measures up. Some 120 million patrons have seen the film. It has earned more than \$60 million and won 10 Academy Awards (topped in the latter category only by "Ben Hur" which won 11 last year).

When you come across so many of the old plaster-type frames and find that they are chipped or broken, you can rebuild the missing part very easily. Sometimes you will find there is a scroll design or sculptured surface that has to be replaced. In working over

some of this type of frame, we find that wall tex-tone can be used to make the frame like new again. It is quite easy to work with, and you can build up any thickness you desire; match up the original design with a few swirling motions in the tex-tone. When you start with the tex-tone, add just enough water to make a putty-like thickness. Be sure that the tex-tone is completely dry, then re-paint the frame the color you desire.

## FIRST CHOICE of TEXAS VOTERS

Senator William A.

**BLAKLEY**

★ SENATOR BLAKLEY is the winner of the Texas Poll directed by Joe Belden and subscribed to by 21 leading Texas newspapers. He also is the first choice in many other surveys and polls conducted throughout Texas.

### SENATOR BLAKLEY'S ACTION PROGRAM FOR TEXAS

**\$100 MILLION MORE ANNUALLY FOR SCHOOLS:** A home-rule aid-to-education plan that would return to each state 5 per cent of federal income taxes for support of locally administered public schools. In Texas this would mean over \$100 million more annually for our schools—without federal interference!

**INCOME TAX RELIEF FOR PRESSED PARENTS:** Also, for families putting their children through school, additional income tax exemptions of \$1,200 for college or university student, \$400 for son or daughter in high school. Parents deserve a tax break!

**A HELPING HAND FOR OUR SENIOR CITIZENS:** A bill to raise ceiling on what Social Security recip-

ients may earn without being penalized. Senator Blakley would raise ceiling from \$1,200 to \$1,800 a year to help many retired persons.

**SHARP REDUCTION IN FOREIGN OIL IMPORTS:** Reduce by one half the amount of foreign oil being brought into U. S. Texas' economy, schools, state government, all suffer when foreign oil floods market, causes Texas production to shut down.

**INDEPENDENCE! WE MUST KEEP IT ALWAYS:** Retain Connally Amendment to World Court. United States should maintain its sovereignty without question. Senator Blakley is fighting against repeal of this vital guarantee.

STUDIES IN DRIFTWOOD will be on display at the Fine Arts building at the college Sunday. Dr. O. D. Duncan will be one of the artists featured at the show. Mrs. Vivian S. Turquette will have paintings on display at the show. Above Dr. Emilio Caballero, head of the WT art department.

## To Become Assistant TWC President

Dr. Ray Small, dean of men at Amarillo College, has resigned, effective May 31, to take over duties as assistant to the president of Texas Western College, El Paso.

He is the son of Mr. and Mrs. George Small of Canyon. His sister is Mrs. Marvin Fite.

On the Amarillo College staff since 1946, Dr. Small will assume his duties at Texas Western June 1. His appointment to the position, which also carries the rank of professor of English, was approved in Austin recently by the University of Texas Board of Regents.

Dr. Small earned his doctorate in English from Texas University in 1958. He also took

a masters at TU. Graduated from Canyon High School in 1932, he received his bachelor's degree from West Texas State College in 1937. He also has attended Texas Technological College and the University of Michigan.

He is a native of Winters, Texas.

Dr. Small joined the Amarillo College faculty following his release from the navy. His positions at Amarillo College also have included a journalism instructorship. He is a former sponsor of the college newspaper, "The Ranger."

His wife, Mrs. Dollee Small, is a home economics instructor at Tascosa High School. They are parents of two children, Andrea, and Mrs. Leo J. Wilmet Jr.

Mrs. Glenn Gardner and Mrs. Kenneth Perkins attended a conference meeting of the Woman's Society of Christian Service in Vernon last week. They visited the Rev. and Mrs. Doyle Ragle and family. The Rev. Ragle is former pastor of the First Methodist Church of Canyon.

## Artists to Present Show On Campus Easter Sunday

Mrs. Vivian S. Turquette of Lubbock will present an exhibition of paintings at West Texas Fine Arts Building Easter Sunday, April 2, according to Dr. Emilio Caballero, head of the WT art department.

Exhibit will be from 2 until 5 p.m.

Dr. O. D. Duncan of Stillwater, Oklahoma, will exhibit his wood carvings in a joint show with Mrs. Turquette.

Mrs. Turquette designed and helped execute two walls of Gothic window designs for the Sunday School assembly room at St. Paul's Episcopal Church, Lubbock. She served as art and technical consultant for mosaic plaques made by the intermediate Sunday School department of Westminister Presbyterian Church and has now completed designs for a large window composed of small plastic panels for this group.

Her mosaic piece, "The Trinity," is at St. Stephen's Episcopal Mission.

She has exhibited in Lubbock shows, regional, state, and national art shows on the professional level. Awards have included prizes and special mentions in Texas Fine Arts regional shows, the Panhandle South Plains fair, and in exhibits at Clovis and Roswell, New Mexico. She was honored with a solo show at the Kelly-Narmour Gallery of Lubbock last spring. Her painting received a commendation in the Texas annual this year.

Dr. Duncan is professor of sociology and head of the department from Oklahoma State

University, Stillwater.

He started many years ago to always be on the lookout for odd driftwood, old gnarled tree trunks and stumps twisted by the wind and weather. He carried them home and began to study them and to scrape away the rough bark. Sometimes it took some carving with a knife or chisel, but many times the original shapes were so beautiful that only the bare wood,

beeswax, turpentine, along with many hours of polishing, brought forth an unusual work of art.

He has exhibited his wood carvings in many area shows. Dr. Duncan is also known as a lecturer and writer. He has published one book and is constantly writing a collection of letters to various parts of the world.

## COUNTY AGENT'S COLUMN

JOHN BRAZZIL

Would you like to see Randall County placed under the regulations of the Texas Herbiicide law? This law can be extended to counties not now covered and would regulate the use of 2-4-D and similar products. Since many farms are now growing susceptible crops such as cotton, each summer some damage by careless use of herbicides is reported.

The Randall County Commissioners' Court will hold a hearing on this matter Monday, April 3, at 2 p.m. in the district courtroom in Canyon. The purpose of this hearing is to determine the interest of Randall County farmers, ranchers, and land owners in having the regulations extended to cover this county. A full explanation of the laws and regulations will be made by someone from the State Department of Agriculture.

Randall County feed grain producers will soon know the

details of the feed grain program. By April 15 each farmer should know the acreage and per acre payment for his farm. Contracts should be ready to be taken about that date.

Mr. E. E. Plank has a very interesting story to tell about foreign exchange students. Some members of his family has been the host family for the students and he is quite sold on the value of such a program. In fact he would like to see more of this type of exchange and he thinks Randall County should have such a program. In Mr. Plank's opinion this is an excellent way to show how America operates.

The grain aphid or greenbug is still on the rampage. In fact this pesky invader has harvested quite a few acres of wheat and barley. Grain producers are employing several measures of self-protection but the warm sunny days that will announce their demise has not happened along. The expanding brown spots on the wheat fields are not caused by drought or disease. They are caused by millions of greenbugs sucking the vitality from the leaves and stems of the wheat plant.

Fill the cavities of pear halves with chutney; serve on crisp greens with a cream cheese dressing.

## Commission Slates Repairs For Randall County

Highways in Randall County are scheduled for repairs following a meeting of the highway commission in Austin last week.

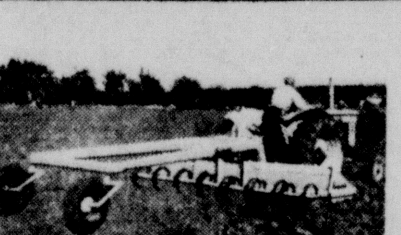

The commission approved \$8,800 for farm to market road improvement.

First is FM 409 from the south city limit of Amarillo to U. S. 60 and 87, a distance of approximately 3 miles. Next is FM 2590 from U. S. 60 west of Canyon to FM 2219, a distance of 5 miles.

Seal coat improvement projects on major highways were also approved at the meeting. Seal coat will be applied to 8 miles of U. S. 60 and 87 beginning at a point 2 miles north of Canyon and continuing north toward Amarillo. Estimated cost is \$31,800.

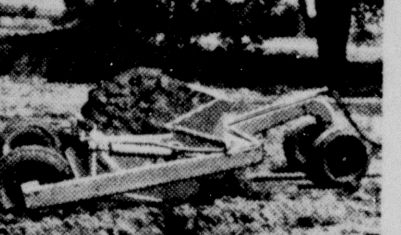

Marilyn and Carolyn Wiek visited with Peggy Haschke Sunday.

## Announcing the NEW TM SERIES Eversman LAND SMOOTHERS

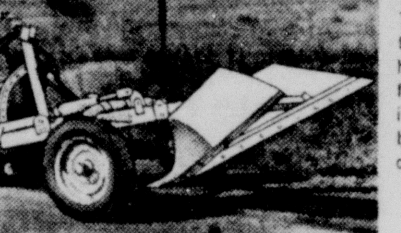

Fits all standard 3-point hitch tractors. Six different size and price models, 6', 8', 10', 12', 14' and 16' blades for larger acreages and tractors. These NEW LAND SMOOTHERS have application for maintenance and tillage on irrigated farms, and for land forming to correct surface drainage problems, fill washes and gullies, smooth terraces, benches, waterways, etc. Low initial investment since tractor length furnishes additional effective leveling length.

## Eversman Hydraulic Control SCRAPERS

Using your own tractor and the 2 1/2 yard Eversman Scraper, you can do most earth jobs on your farm by yourself. Level land for efficient irrigation. Grade fields to improve drainage. Fill gullies and low spots. Build farm roads. Make terraces, grass waterways, reservoirs, dams, pit silos. Responds instantly to single valve hydraulic control. Loads with low power requirements but with large scraper stability. Hauls at high speed. Front dump permits accurate control of fill.

## Eversman Floating Hitch DITCHERS

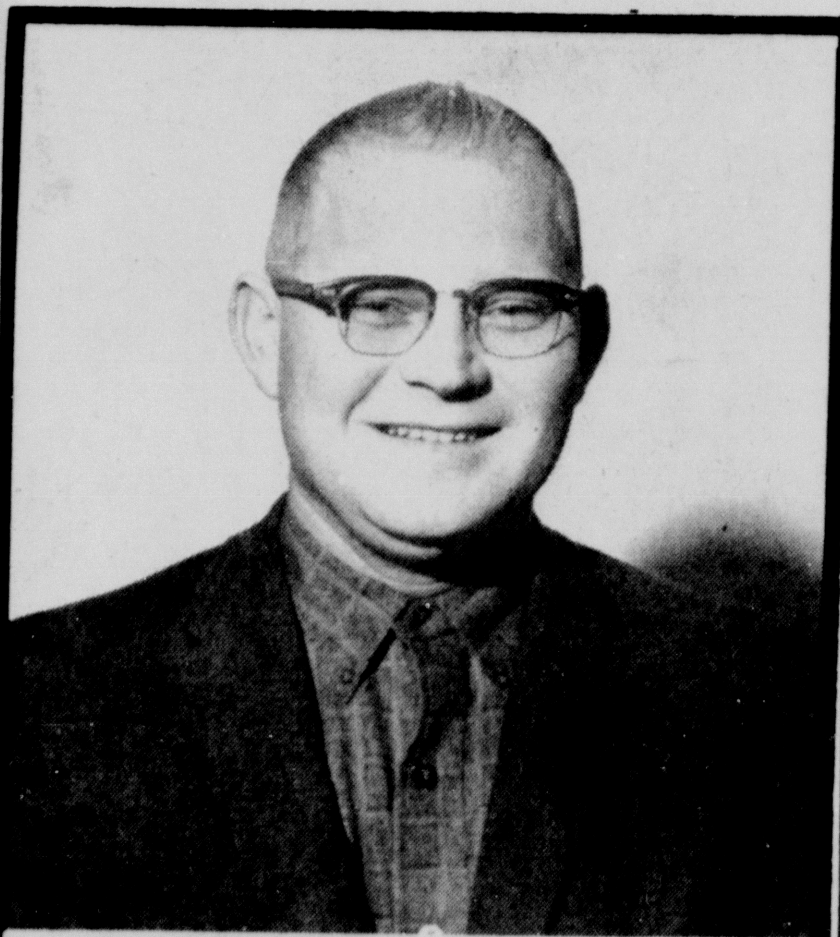

The Eversman digs and cleans ditches up to 6' wide and 27" deep. Mechanical or hydraulic control. Operated by any standard farm tractor. Moves from field to field on its own rubber tires. Four models for trail-behind or 3-point hitch system. Low initial cost. Economical operation.

## Famed Mental Wizard Sets WT Appearance

Famed mental wizard and hypnotist, Franz Polgar, will appear in a special assembly program April 11 at West Texas State College. His "Fun With the Mind" program is described as "a unique exhibition of mind reading, mirth and mystification."

The special show will be presented from 10:55 until 11:50 a.m. in the Administration Building auditorium, and is free to the student body.

Polgar is probably the nation's—and the world's—best known hypnotist, who combines the mysterious with uproarious laughter. The three main forces of his show are photographic memory, mind reading, and hypnosis, and the results keep his audiences baffled, bewildered, and bemused.

So well received has the magician been through the years, that he has appeared annually for a dozen years at North Texas State College in Denton. During April, besides WT, he will appear again in Denton and Southwest Texas State, along with other Texas colleges and cities.

His biography appears in "Who's Who in America."

## Reason for Civic Work Told by Funeral Director

JERRY LAGRONE, director of the Chamber of Commerce examines new membership cards taken up during the present drive. LaGrone crowds in a busy civic schedule in addition to his work at the funeral home.

"I think anyone who takes from a community should put something back into it" reflects Jerry LaGrone, active civic worker and owner of LaGrone Funeral Home.

LaGrone seriously believes in this principle and works in his business and community with it constantly in mind.

Originally from Clarendon, he came to Canyon in March 1956. At that time he became a partner of Bernard Warren's in Warren-LaGrone Funeral Home and steadily increased his community activities.

Today, as owner of Canyon's only funeral home, LaGrone is active in professional, community and service organizations.

Presently he is president of Canyon Rotary Club, president of Panhandle Funeral Directors' Association, and manager of Dreamland Cemetery Association.

In the past he has served as president of the Chamber of Commerce and Toastmasters. He has pursued his profession in such a determined manner, too.

His first job with a funeral home began in Clarendon when LaGrone was only 12. "I was working part time and going to school." Upon graduation from high school he attended Clarendon Junior College.

Later he attended the Dallas Institute of Mortuary Science receiving his funeral director's license in 1951 and embalming license in 1952. LaGrone then moved to Amarillo where he worked at N. S. Griggs and Sons.

When he came to Canyon in

1956, LaGrone was the first licensed embalmer to take up residence in the community since the 1920's.

"This has sometimes created quite a problem in meeting civic duties," LaGrone points out, "but I have always found time for both."

Even in his business, he tries to give the utmost service to the people of Canyon. In explaining this, LaGrone explains the history of funeral homes.

"Half a century ago funeral homes were quite often associated with hardware stores," he said.

"This came about because hardware stores at one time handled caskets just as any other merchandise and in time of death one of the family would come in and purchase one. Friends of the family would gather and assist in preparation and burial of the deceased."

"As time went on survivors demanded more services from the hardware store and the funeral profession developed."

Today, these services have developed to the point where a family calls and the funeral home takes care of the rest. LaGrone says that his funeral home takes care of just under 200 details for each funeral which at one time were taken care of by the family.

Another service to Canyonites is LaGrone Life Insurance Company. Primarily a burial policy firm, it is the only insurance company with home offices in Canyon.

"We started with 500 charter members," he points out, "and now are listed as one of

the strongest insurance companies, for our size, in the state."

Another project which he points out with pride is the perpetual care program now in effect at Dreamland Cemetery. "I was one of a group which began the program," LaGrone says. "When I came to Canyon the cemetery had been neglected. But now it is one of the most beautiful and well kept in the Panhandle."

He is married to the former Gladys Emmons of Clarendon in 1953, upon her graduation from West Texas State College. They now have three children: Jan, 6; Phillip, 3; and Kevin, 1. They are members of the First Baptist Church.

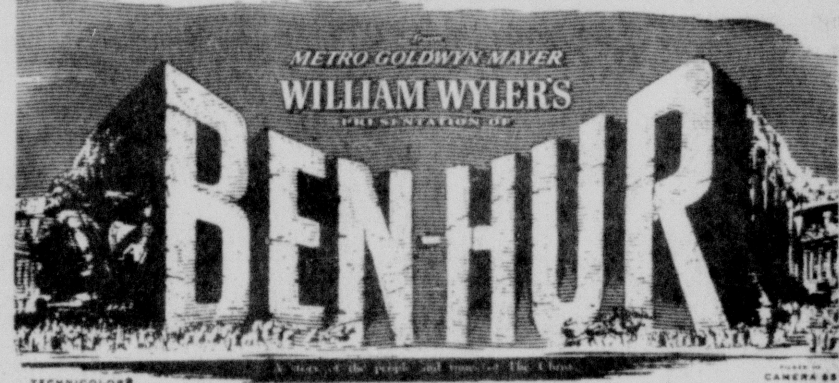

LaGrone has full confidence in Canyon. "It's a wonderful

place in which to raise a family." And he never stops working toward making Canyon a better place.

The U. S. center of population in 1970 was 23 miles west of Baltimore. Today, it is located in Clay County, Ill., about nine miles northwest of Centralia.

## Cold, Wet at Conchas, Anglers Report

Canyon anglers testing waters at Conchas in New Mexico over the weekend reported back that it was windy, cold and wet there.

Those there from Canyon were the Bill Wilson family, Mr. and Mrs. Pete Donnell, Mr. and Mrs. M. B. "Farmer" Brown, Mr. and Mrs. Doyle Thomas and Mr. and Mrs. Frank Bounds.

Water temperature at the lake

was 46 degrees. "We did see a lot of channel cat, some bass and crappie and one six and one-half pound pike," Wilson said. He said they were taken on the Canadian side with worms in water 5-6 feet deep.

Wilson also reported that a new store is going up on the south side of Conchas. He said it would be twice as big as present facilities and new gas docks are being built.

## Fourth Grade Class Shows Oriental Items

Climaxing a two-week study on China and Japan, the fourth grade students of Mrs. L. M. Cousins gathered products from the two countries in an exhibition that drew more than 160 persons to see it.

Included in the display were hand made items from Japan and trinkets and valuable items from Japan.

Among the items displayed was a 400-year-old snuff bottle carved from a solid piece of agate and inlaid with white jade, and a small pewter vase with a thin overcoating of enamel. Both valuable pieces were exhibited on tables, along with less valuable items.

Other pieces included in the display were silk and other materials, bamboo mats, carvings, dolls, pictures, fans, tea sets, chopsticks, music boxes, toys, and trinkets.

"It's really been the most successful unit we've had," Mrs. Cousins said.

The display was not planned in the beginning of the unit, but youngsters kept bringing in things to show until four tables were filled, she explained.

The other fourth grade classes, who will study the same two countries, a third grade class, and a special education class were among the visitors. Parents, school administrators and others also saw the display.

Mrs. Cousins divided the class into committees, and each group worked up a report of some phase of the countries, such as money, industry, geography, and people.

# Former Canyon Man Appointed by Kennedy

The son-in-law of a Canyon couple has been tapped for the National Labor Relations Board by President John F. Kennedy.

Gerald Brown, a son-in-law of Mr. and Mrs. C. N. Harrison, was nominated for appointment by the President. He faces Senate ratification.

His wife is the former Edith May Harrison. They have two daughters.

Brown is a former teacher of Canyon High School and an ex-student of West Texas State College. He taught social sciences at CHS from 1935 until 1938. He reportedly is only the second career employee to be ap-

pointed to the board since its formation in 1935, Mrs. Harrison said.

Brown, an NLRB employee for 19 years, will fill the unexpired term of Joseph A. Jenkins, who resigned effective March 28.

President Kennedy is expected to ask the Senate for confirmation of a full five year term for him after expiration of the interim appointment, Mrs. Harrison said.

The NLRB administers the Taft-Hartley Law and is primarily concerned with conducting labor representative elections to determine collective

bargaining agents. It also investigates unfair labor practices by unions and employers.

Brown joined the NLRB staff in February, 1942, as a field examiner in the Atlanta, Georgia, regional office. Since then he's worked up through the ranks. He is currently serving as regional director in San Francisco, headquarters for northern California, Nevada, Utah and Hawaii.

Since he became regional director at San Francisco, 90 percent of all disputes—including charges filed by both unions and employer groups—have been settled without formal litigation.

Brown was commended by the Pacific Maritime Association for settling the ILWU-Marine Cooks jurisdiction dispute "in a singlehanded effort that showed infinite patience and skill."

Brown was named Executive of the year in 1957 by the San Francisco Federal Businessmen's Association. After he completed his B.A. degree at WT, Brown received his M.A. from the University of Texas. He taught economics and political science at Amarillo Junior College and was an instructor in economics at the University of North Carolina.

## AAUW to Elect Year's Officers

Election of officers will highlight a meeting of the Canyon Branch of the American Association of University Women in the home of Mrs. George Blackwell, 2510 Thirteenth Avenue.

The meeting will be held April 8, instead of the regular meeting date of April 1. Change was made because of the Easter holidays, with many members planning trips out of town during the vacation.

The meeting will begin with a salad luncheon at 12:30 p.m. Reports of committees will also be heard at the business session, to follow the luncheon.

## Texas Day Observed By Book Club

Texas Day was observed by the Woman's Book Club in its meeting March 22 in the Little House of Fellowship at the All-Saints Episcopal Church.

Mrs. John Davis discussed "Capitol of Texas" and told of the architecture, construction, and design of the present building.

Mrs. C. W. Warwick told of the life of the sculptress, Elizabeth Noy, whose studio is in Austin.

## VFW Members Aid in Party

Six members of the Veterans of Foreign Wars Auxiliary assisted with a bingo party for patients in the Veterans Administration Hospital in Amarillo Wednesday night.

They also distributed cigarettes and gum in the hospital wards. Cake and coffee were served to about 60 persons.

The Canyon group, composed of Mesdames J. D. Louder, William A. Pond, Tommy Hunter, C. C. Stephens, Lawrence D. Hunicutt, and Joe Winstead, participated in the project jointly with the Amarillo VFW Post and Auxiliary.

## Violinists Win First Ratings

Three Canyon Junior High youngsters received "superior" ratings in a regional interscholastic string competition at Amarillo College.

Michael Matthis, son of Mr. and Mrs. David R. Matthis, was rated Division I in Class II violin solos, while Alan Demus, son of Mr. and Mrs. Herman Demus, and Susan Brantley, daughter of Mr. and Mrs. Royal Brantley, both won Division I in Class III violin solos. Michael is an 8th grader, and Alan and Susan are 6th graders.

Since Canyon Junior High has no orchestra, the trio were competing on their private lessons against youngsters who had orchestral training.

## Dean Manion to Speak on Freedom

"Freedom Begins With You," is the title of an address which will be delivered by Dean Clarence Manion at the Amarillo municipal auditorium Thursday, today, at 8 p.m.

Manion has been a professor of Constitutional law and a practicing lawyer in South Bend, Indiana for the past 25 years. From 1941 until 1952 he served as dean of the law college at the University of Notre Dame.

His speech Thursday night is being sponsored by the Panhandle Texans for Constitutional Government, a group of people who say they believe in strict Constitutional government. Admission is free.

Several board members of this organization live in Canyon. They are J. Evetts Haley Jr., Jack Taylor and John McBride. There will be a luncheon Thursday at the Crossroads Motel where Manion will also speak. Tickets for this luncheon are on sale at \$10 each and may be purchased from Mrs. Ann Dubois, 2709 Polk Street, Amarillo, or from any member of the board.

Manion resigned from Notre Dame in June, 1952, to devote full time to his law business and speaking and writing engagements. In August, 1953, he was

appointed by President Eisenhower as chairman on Inter-Governmental Relations. He resigned from the commission in February, 1954.

He has authored several books and has a weekly radio program. While in the Amarillo area, Manion will be a house guest of J. Evetts Haley Sr. of Canyon.

The infant was born March 22 in Neblett Hospital. Grandparents are Rev. and Mrs. Carl Wagner, and Mr. and Mrs. Norman Glenn. Great-grandmothers are Mrs. Audie Glenn, Mrs. C. A. Wagner, and Mrs. Harvey Keys, and Mrs. L. A. Rogers is great-great-grandmother.

## Sunbeams Planning African Mission Study

Plans were made for the coming quarter when a Sunbeam committee met Thursday morning in the parlor of the First Baptist Church.

Africa and its missions will be the study for the next quarter.

Workers also discussed the past quarter and evaluated the work. Mrs. Clifford Prichard told of a party for parents, given by her group of 5-year-olds, and Mrs. Troy Martin reported on a tour of the Panhandle-Plains Historical Museum by her World Friendship group.

Those present were Mesdames D. P. Clark, Lottie Suggs, R. C. Yarbrough, Buford Sparks, Clifford Prichard, Wylie Jones, Claude Phillips, Laverne Thompson, Roger Dugan, Ray Hawkins, Edith Livesay, and Troy Martin, and Miss Nadine Burroughs.

## Russell Rites At Amarillo

Funeral services for George Lee Russell of Amarillo, father of Mrs. Johnnie McBroom and Ross Russell, were conducted March 20 in Blackburn-Shaw Memorial Chapel in Amarillo.

Mr. Russell was a brother of Mrs. Nora Murphy and Mrs. Ray Fullerton.

A retired carpenter, Mr. Russell, 62, died at his home in Amarillo March 17. He has been a resident of the Panhandle since 1900.

Cecil Williams, minister of the Panhandle Church of Christ, officiated. Burial was in the Panhandle Cemetery under the direction of Blackburn Shaw Funeral Home.

A member of the Church of Christ, Mr. Russell was born April 15, 1898, in Greenville, Texas.

Other survivors are two more daughters, Mrs. Ed Hickmott of Amarillo and Mrs. Herbert Sullivan of Panhandle; one other son, Dale Russell of Santa Fe, New Mexico; three brothers, Joe Russell of Amarillo, Emmett Russell of Panhandle, and John Russell of Rialto, California; and 15 grandchildren.

## Peggams Become Parents

Mr. and Mrs. Bill J. Peggram of Westcliffe, Colorado, are the parents of a son, Joseph Donald, born March 14 in Canon City, Colorado.

Grandparents are Mr. and Mrs. Tom S. Gooch Sr. of Canyon. Mrs. Peggram is the former Frances Gooch.

The Peggams have three other children, Linda, 9; Bill Clay, 7; and Tim, 3.

## SOIL CONSERVATION DISTRICT NEWS

OUR SOIL ★ OUR STRENGTH

The high plains has a drainage problem.

Prior to the time when the high plains of Texas was plowed out drainage was not a problem. Rain falling on grass land gradually moved to the natural draws or to playas and did no damage. With most of the good land plowed out there is very little material to slow the water down while it soaks into the ground or moves to a natural drainage way; consequently some of our best land is being scoured and gullied.

We have two partial solutions to the problem which supplement each other—one is to provide ground cover to slow down the runoff water, and the other is to develop a drainage system for moving the runoff water from the nearly level high plains country to the playas or draws so that it does not cause erosion.

The usual procedure to move runoff water from a higher to a lower elevation on farm land is through a system of diversion terraces, regular terraces and grassed waterways.

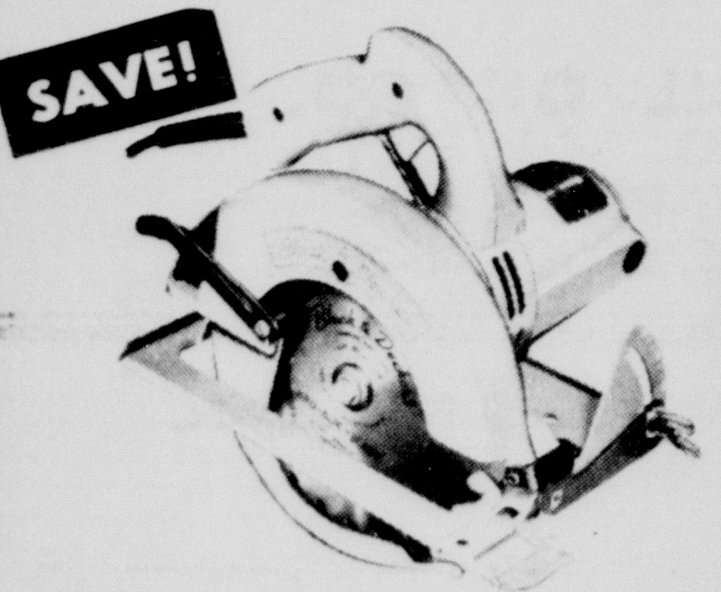

Grassed waterways that can be located in natural shallow draws are the easiest to construct and maintain. Some of the problems that engineers have found in working with natural draws are:

1. The draw goes through the farm without going to the top of the hill or to an elevation where damaging erosion starts.
2. Natural draws sometimes have steep sides which makes the construction of terrace outlets difficult. These same steep sides are often hard to establish and maintain in grass.
3. Due to extra water and good soil the bottoms of draws are sometimes the most productive land on the farm and farmers are sometimes reluctant to use this land for a grass waterway.

In order to encourage farmers to protect their land from erosion by the establishment of waterways, two government cost-share programs are available. The ACP program is offered through the County ASC Office.

The Great Plains Soil Conservation Program is offered through the Soil Conservation Service Office.

## TELEPHONE TALK

by Al Leach, Manager

### IMPROVING TELEPHONE SERVICE IN CANYON

Today, you can reach almost anyone in town or around the country in a matter of seconds... by telephone.

If you're curious and want to see what's behind the telephone calls you make and receive, plan to visit our telephone central office real soon. We'll be glad to show you or your club or civic group many of the technical changes in equipment and methods that continue to improve your service. Just call us and let us know when you're coming.

These "behind the scenes" improvements come about in two ways. A great many result from the full-time research carried on by telephone scientists. Other improvements come from ideas of telephone people working right here in Texas.

This teamwork between telephone people on the job and scientists in laboratories makes an unbeatable combination. Our goal is simply this: To give you service this year that's better than last year's.

### MORE TIME FOR FAMILY FUN

"How do you find time to get everything done and still have time for your family?" I seem to hear that question come up in conversation more and more lately. Here's how one Kansas family found more time to do the things they enjoyed together: Mr. and Mrs. Clifford Padgett of Dodge City have full-time jobs and two active school age children. They find time for bowling, golf, American Legion, PTA and church work in addition to scout and school activities for the children.

How do they manage to keep up with everything? The Padgetts have help... two telephones, which they use to save time, trips and energy. Mrs. Padgett says, "I believe we save as much as a day a week in needless trips just by telephoning." Quite a saving. How about you? Could you use your phones to save time for the family? Why not try them and see.

### NEW COMMUNICATIONS SATELLITE ON THE WAY

The success of Project Echo—the communications satellite launched last Fall and still orbiting the earth—proved that communications signals may be transmitted over great distances by controlled satellites.

The Bell System plans to launch additional communications satellites throughout this year.

These experimental satellites will test transmission of voice and television signals, as well as other types of communications. These experiments could lead to a world-wide space communications network capable of handling television programs and overseas telephone calls.

Call by number. It's twice as fast.

# Special School at Lubbock Aids Nine-Year-Old Stephen Brewer

Nine-year old Stephen Brewer and his mother, Mrs. Arthur M. Brewer, spend the school week in Lubbock so Stephen can attend school at the Children's Training Center there.

Stephen has been blind since birth.

He was born two months premature and weighed slightly more than three pounds at birth in Fort Worth. His blindness was caused by retrolental fibroplasia, a disease found only in premature infants weighing less than four and one-half pounds. At the time of Stephen's birth, the cause of this type of blindness was unknown. A doctor

from East St. Louis, Illinois, has since found that the cause is too large a concentration of oxygen in the incubator of premature infants.

Finding a school which could prepare Stephen for a normal type of education has presented a real problem to the Rev. and Mrs. Brewer.

Stephen did attend the Canyon Elementary School for two years. Mrs. Crews Henry, first grade teacher, took a special course in teaching the blind in order to work with Stephen.

But blindness is accompanied by a certain amount of retardation because so much learning comes through use of sight. A blind child requires much time and attention from one teacher in order to learn.

The Children's Training School in Lubbock is a specialized school for handicapped and retarded children. It has a special section for training blind children, to prepare them to read Braille. Stephen is in the preparatory group.

This school has one teacher for every four or five children.

Purpose of the school's program is to prepare children for integration into the regular public schools when their training shows they are ready.

The Children's Training Center is sponsored by the Lubbock Community Chest.

The Canyon Lions Club is

giving financial aid for Stephen's education as part of their Sight Conservation Program.

Stephen's father is director of the Baptist Student Center at West Texas State College. Stephen is the only child of the Rev. and Mrs. Brewer.

STEPHEN BREWER, son of the Rev. and Mrs. Art Brewer, attends a special school in Lubbock each week. Stephen is blind and is now in the process of learning Braille. He attended Canyon Elementary School two years. Mrs. Brewer is shown behind the screen door.

## Auction Plans Set For Livestock Association

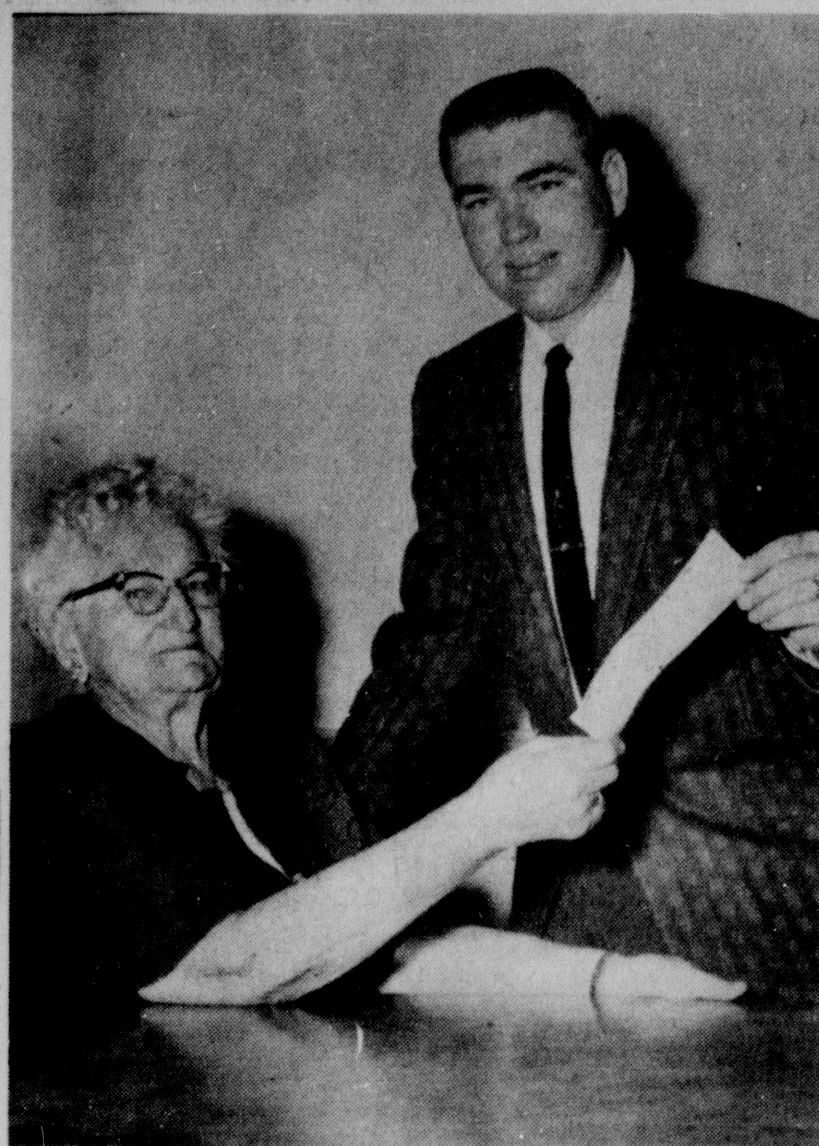

Plans are under way for an auction to be held May 20, aiding the Randall County Junior Livestock Association Building Fund, according to John Brazzil, county agent and member of the association.

Brazzil said donations will be taken for the sale which will be the third Saturday in May. "All items must be donated," Brazzil pointed out. "We are not paying commission." Livestock, equipment and machinery will be major goods at the auction.

Members of the auction committee are George Schaeffer, Eugene Bonds Sr., Ar. Friemel and Brazzil.

Bill Wilson, will be in charge of the sale. Auctioneering and clerks' services will all be donated.

One member of the committee stated that all money coming in at the sale will go into the building fund.

WINNER OF the Edna Graham Scholarship for excellence in mathematics at West Texas State College is Carl E. Hall, Amarillo senior. Miss Graham, retired mathematics professor in whose name the award is given by the Ex-Students Association, is shown handing Hall his check. A member of Alpha Chi, national honor society, Hall was named last fall to "Who's Who Among Students in American Universities and Colleges."

## 5 Canyonites Pledged By WT

Five students from Canyon have been pledged by social fraternities and sororities at West Texas State College. Included are Phyllis Bonnie, Jackie Breiting, A. L. Pruett, Garry Dean Foster, and Roy LeRay Taylor.

The daughter of Mrs. Mary Pauline Bonnie, Miss Bonnie is pledging Alpha Delta Pi sorority. A 1960 graduate of Washington Lee High School in Arlington, Virginia, Miss Bonnie is a member of the WT choir. She is a freshman art major at WT.

A 1960 graduate of Canyon High School, Breiting is pledging the Kappa Alpha Order fraternity at WT. The son of Mrs. Ada Mae Townsend, 2605 7th Avenue, Breiting is a freshman pre-med major.

Pruett, the son of Mr. J. D. Pruett of Amarillo and Mrs. Thelma Pruett of Canyon, is pledging the Kappa Alpha Order at WT. A 1958 graduate of Canyon High School, Pruett is a junior business management major.

The son of Mr. and Mrs. Thomas H. Foster, 2305 6th Avenue, Foster is pledging the Lambda Chi Alpha fraternity. A 1960 graduate of Canyon High School, Foster is a freshman business major.

Taylor, a 1955 graduate of Amarillo High School, is pledging Lambda Chi Alpha fraternity at WT. A senior art major, Taylor is the son of Mr. and Mrs. L. H. Taylor, 2500 6th Avenue.

## Montgomery, Thomson Vows Read in Amarillo

Miss Mary L. Montgomery was married to John L. Thomson in Kingswood Methodist Church in Amarillo recently.

The bride is the daughter of Mr. and Mrs. J. E. Montgomery of Canyon, and the bridegroom is the son of Mrs. Lorena Thomson of Amarillo.

Mrs. Blake Zachry was the bride's only attendant and Donnie Brock was best man. The Rev. Norman W. Grigsby officiated at the ceremony.

The couple are making their home in Amarillo.

Given in marriage by her brother, Edgar Montgomery, the bride attended Canyon High School and West Texas State College.

## Oldham To Appear In Pageant

Miss Joy Oldham of Canyon will participate in the 20th annual Easter Pageant at Mary Hardin-Baylor College, Belton.

The Easter Pageant, to be presented on the college campus on Good Friday evening at 5:30, portrays the last days of Christ on earth, beginning with his triumphal entry into Jerusalem. More than a hundred students will participate in the annual event.

She is the daughter of Mr. and Mrs. R. D. Oldham.
